# **Clinical Psychology**

# **Recommended Courses for HDFS Majors**

HDFS students planning to apply to a clinical psychology program after earning their B.S. in HDFS may elect either the Child and Adolescent Development concentration or the Family Studies concentration, depending on their interests. They should also study the entry requirements of a range of graduate counseling programs and complete elective courses that will meet those requirements and enhance their professional skills. The following courses can help you prepare for a professional program in clinical psychology:

<b>PSYC 201</b>	Social Psychology
<b>PSYC 238</b>	Psychopathology and Problems of Living
PSYC 239	Community Psychology
PSYC 250	Psychology of Personality

## Sample Four-Year Plan for Child & Adolescent Development Concentration

[for students starting the HDFS major in or after Fall 2018]

The four-year plan below shows how to prepare for entering a graduate program in clinical psychology while meeting graduation requirements in the HDFS child and adolescent development concentration. Use this plan only as a guide. Consult your academic advisor for suggestions for open electives suited for your career plans, and as you develop, modify and move through your own plan.

#### Year 1
